**LEADER  
BREEDERS**

Friday, February 2 2024

In addition to all of the events we hosted, we also began the second installment of our after school program at Rita Church Community Center. The program provides basketball skill development and life skills workshops.

## Jan Recap

The Leader Breeders Family started 2024 with a BANG! We were able to host a Read-A-Loud at Franklin Square EMS, a student-athlete seminar at The Baltimore Leadership School for Young Women featuring female collegiate student-athletes from Morgan St, Coppin St, and Towson University, a vision board party for our Mentorship Program, and our very FIRST Acrobatics & Tumbling clinic with the Inaugural Morgan St Acrobatics & Tumbling team.

01/02

## Inside LB & The Community

Leader Breeders is dedicated to fostering the holistic development of our youth and offering valuable resources to families in our cherished communities. Over the past month, we've made a positive impact on 207 young lives. Financial support is crucial, as it enables us to continue providing free services to our youth. While actively pursuing grants, we also rely on individual and corporate contributions to sustain our mission. The generosity of our community plays a vital role in shaping a brighter future for the next generation of Leaders.

Programs like our mentorship program and reading literacy program serve as instrumental pathways guiding our youth toward success in life. More support can directly contribute to the success stories we're trying to create!

We'd like to publicly thank The Kuzemka Family, Morgan CARES Foundation, PepsiCo Foundation, Reading Partners, Towson University Athletics, Dr. Joanne Martin, Blesid Consulting, Frederick Riley, Shelonda Stokes, Kim Harris, BGE, Jimmy Little and the Morgan St Acro & Tumbling team for their support.

Leader Breeders hopes you're having a great start to your new year and we wish you all the best in 2024!
