Inside The Community

- Leader Breeders is committed to giving back to the community. This month, we will be meeting with different schools and community partners to figure out how we can collaborate to continue furthering our mission of youth development. We encourage everyone to reach out to us if interested in helping us make a difference in the community.
- We are pleased to announce that we have secured funding for our Mentorship Program. The program is primarily made up of JHS students paired up with local collegiate student-athletes. Since its inception in October we have had monthly events and paired over 40 individuals.

- We'd like to also publicly thank Senator Cory McCray, Attorney Big Al, & Rita Church Community Center/BCRP for their contributions to Leader Breeders' events & programming.

Leader Breeders hopes you had a great holiday season and we wish you all the best in 2024!
